May and June Meetings

By Donald H. Crews

With the Fort Worth Public Library closed for Memorial Day, our May 27th program was held in the studio of Lee Angle Photography in Fort Worth. Our host was Mark Angle who spoke on the subject of Modern Techniques in Photo Restoration Using Computers. Mark discussed image recovery (not original photo stabilization) and showed us some truly amazing examples of seriously damaged family portraits that were brought back to life. Thirty-two members and four guests signed the register.

June's meeting will be held on Monday, June 24, 2002. It will once again be held in the Fort Worth Public Library Theater. Our guest speaker will be Elaine Piekarski from Greenwood Funeral Home. She will be discussing the "Scope and Nature of Cemetery and Funeral Home Records". She will cover the problems of information vs. privacy. This promises to be of great general interest. See you there!
