First Meeting of the New Year!

What better way to start a new year in genealogy than to go and explore the best genealogy library in Fort Worth.

On **Tuesday** night, **January 28th** we will meet at **6:00 p.m.** for coffee in the **Tandy Auditorium** of the **Central Branch Library**.

After visiting a little and conducting a little business, we will dismiss to the downstairs genealogy department, where genealogy dept. staff will conduct a tour of some of the newest equipment and collections. We will be instructed on the use of the special scanner that effectively holds oversize and large, heavy volumes while scanning images of book pages. From there, the scans can be copied on to paper, emailed to yourself, or saved to a flash drive.

If you have any questions about the department, the collections or how to use any of the equipment, this is the night to come and ask. And be sure to bring your flash drive, in case you want to use the scanner.

From the President.....Happy New Year!

Welcome to another year in Fort Worth Genealogical Society. I am **Debbie Pearson**, your new president for 2014. I look forward to working with our new board. I am excited to say, after calling on the membership for more volunteers to get involved in our society, our nominations committee found 4 members who are either new to the society or have never held an office in FWGS. They are: **Carol Reeves, Tom Cogdell, Kathleen Stucker, and Ed McCoy**. Combine that with **Phil Morris** who was new to the board last year and that makes 5 new members to our leadership. We always welcome more!

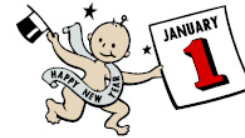

Roy Combrink, Rita Martin, Jan Cowley, and Clois Richardson are taking well deserved breaks, but we hope to still call on them for special projects.

Our society had a good year in 2013! We had a very successful Summer Seminar with Jane Buck on DNA for Genealogists. That, combined with other cost-saving measures in printing our publications, and we were able to make a \$2000.00 donation to the Fort Worth Library Genealogy Department. **Betty Shankle** and **Rene Gomez** from the Library were on hand to receive the check presented by **Roy Combrink** at the November meeting. It was a proud moment to be able to support the FWL which is one of the Society's original purposes when founded back in 1957.

In 2014 we look forward to a new project. Rob Yoder is working on a Cumulative Full-Name Index to **Footprints**. This would benefit our **Footprints** collection on CD or in libraries. Rob Yoder is already calling for volunteers. See p. 4 of the document below:
<http://www.rootsweb.ancestry.com/~txfwgs/documents/Footprints%20Indexing%20Project.pdf>

Another project I wish to promote this year is to find more people who can become members of our **Pioneer Families of Tarrant County** group. If you have an ancestor who resided in Tarrant County on or before 1870 and you can prove it through accepted documentation, you can join PFoTC. See our web site for more.

I look forward to meeting you at **all** our General Meetings this year! Please plan to come. *Debbie Pearson*

Genealogy News Around the State.....

Austin, Texas

Texas State Library and Archives

In keeping with the State of Texas' plan to have state government agencies adopt the *texas.gov* domain name, the Texas State Library and Archives Commission (TSLAC) now has a new website address. Please update your Internet bookmarks to:
www.tsl.texas.gov.

While the web address is changing the physical address stays the same: **1201 Brazos St., Austin TX 78701**

And also from the Texas State Library:

Family historians, scholars, students and others interested in what is behind the ornate brass doors of the Lorenzo de Zavala State Archives and Library Building just east of the Capitol will soon have more opportunities for discovery.

Beginning **January 11, 2014**, the Texas State Library and Archives Commission (TSLAC) will expand its hours of operation to better accommodate researchers. The agency's three public service areas – the Texas State Archives, Texas Family Heritage Research Center, and the Reference and Information Center - will be open

from 9 a.m. to 4 p.m. the **second Saturday** of each month.

Maintaining the official history of Texas government, the State Archives includes archival government records dating back to the 18th century, as well as newspapers, journals, books, manuscripts, photographs, historical maps, and other historical resources.

In addition to published resources in the Texas Family Heritage Research Center, users have full access to the popular genealogical web resources including Ancestry, Fold3 and Heritage Quest.

The Reference and Information Center houses almost 2 million federal and Texas state agency publications.

It is hoped that with additional hours on the second Saturday of each month, along with the quarterly **Genealogy After Dark** programs, will make the materials more accessible.

Regular business hours are Monday through Friday from 8:00 a.m. to 4:45 p.m. The library is closed on most federal holidays.

Researchers using original documents in the State Archives for the first time will be required to register and must present valid photo identification and proof of current address.

To learn more about TSLAC's collections and agency operations, please visit www.tsl.texas.gov. Questions concerning Second Saturdays may be addressed to reference.desk@tsl.texas.gov.

Dates for Second Saturdays are:

Jan 11, Feb 8, Mar 8, April 12, May 10, June 14, July 12, August 9, Sep 13, Oct 11, Nov 8, Dec 13.

Next Date for Genealogy After Dark: Friday, January 24th, 6-10 p.m. \$10.00. Must Register by January 17th. Limited to the first 30 participants.

Another tidbit: Gov. Connally's jacket & shirt worn on Nov 22, 1963 is on display at the **Texas State Archives** through **Feb 14, 2014**. Did you know his jacket came from John L. Ashe in Fort Worth? Worth a visit!
