JULY

GENERAL MEETING

FWGS will meet **Tuesday, July 26th** at **6:30 p.m.** in the **Tandy Auditorium** in the FW Central Branch Library (500 W. Third St.) for the next General Meeting. Speaking will be **Merry Shaw** on something dear to her heart: the **“Arlington Family History Center.”**

Merry will discuss the various facilities provided around the world by the Church of Jesus Christ of Latter-day Saints (LDS), such as the Family History Library, various discovery centers, and more than 4,000 family history centers. She will also talk about the large variety of Internet sites and other programs available to you for free at your local FHC.

Refreshments begin at 6:00 p.m., with the meeting starting at 6:30.

MERRY SHAW is the Director of the Arlington Stake FHC. She became interested in genealogy at the age of 8. She started back

when research meant writing letters, phone calls, and visits. Her goal was to preserve the history of her late father. The result of that effort is a 500-page history on her Foster family and a two-volume history of her Madsen family. And now that original goal to preserve the family history extends to her 3 children, 10 grandchildren and 6 great-grandchildren.

Don't forget parking is easy downtown with all meters free at 6:00. Or park FREE in the 3rd Street Garage (only a block E. from the library door) for 2 ½ hours with your ticket validated in the library before you leave.

JUNE MEETING

Aaron Holt from NARA came to speak on Native American Research and how to begin. We heard that Fort Worth is one of the best places to begin. FW has the SW NARA branch which holds the Dawes Rolls and other records for OK tribes and the old Indian Territory (IT). Aaron cautioned us that many families have tales of an Indian “princess” which is a total myth. Look for any proof your family may have of an Indian ancestor: photos, diaries, letters, written records, an Indian designation on an old census, etc. Staff at NARA will help you from there, but be aware, you may find your family tale is just that—A Tale!

Celebrate America & Your Freedom

Your President, **Don Crews**, was so interested in our May speaker and his topic that Don requested that I feature that topic in a future newsletter. I began to look into it and agreed it *was* an interesting topic. **Kent Hopkins**, the May speaker, is a member of the General Society of Mayflower Descendants (GSMD) and spoke on the Mayflower story and doing Mayflower descendant research. At the meeting, Kent spoke about how the Pilgrim story is truly the story of America and the Sprit of America. What better time to re-examine that, than in July, our month of Independence. So take time to read this and remember your Blessings of the American Spirit!

General Society of Mayflower Descendants

GSMD was begun in 1897 as the Mayflower Society. Their aims are to provide genealogical and lineal research, education about the Separatists & their journey, and to educate Americans to the importance of that journey. They publish books of lineages today, they provide scholarships to young students, and they maintain a house/museum and library in Plymouth, MA. Their ca 1754 headquarters is the former home of Edward Winslow, grandson of the Pilgrim Winslow. The modern Library, located directly behind the house, houses a very extensive collection of genealogies and histories of New England & Mayflower interest. Here are 2 links to some of their holdings: <https://www.themayflowersociety.org/images/PDF/genealogies.pdf> and <https://www.themayflowersociety.org/images/PDF/library-catalog-january-2012.pdf>

Since GSMD is primarily a lineage society, you must prove your descent from one of the original 102 voyagers on the Mayflower. And since so many died of illness and deprivation in the first winter, the list of approved ancestors is much shorter than the original 102. *Here are the approved lines:*

John Alden, Bartholomew Allerton, Isaac Allerton, Mary (Norris) Allerton, Mary Allerton, Remember Allerton, Elinor Billington, Francis Billington, John Billington, William Bradford, Love Brewster, Mary Brewster, William Brewster, Peter Browne, James

SUMMER BREAK.....

The Center For Texas Studies (TCU), Billy W. Sills Center (FWISD) & Lunch Time Lectures @ NARA are all taking a Summer Break. Check back in the Fall.

Fort Worth Genealogical Society is moving their mailing list. The new list is through **Google Groups** and will give FWGS the ability to deliver this newsletter directly to your inbox.

We need everyone to participate and subscribe to this new mailing list, whether a member or a guest. Contact FWGS@mail.com to give permission to subscribe to the new list.

Chilton, Mrs. James Chilton, Mary Chilton, Francis Cooke, John Cooke, Edward Doty, Francis Eaton, Samuel Eaton, Sarah Eaton, Moses Fletcher, Edward Fuller, Mrs. Edward Fuller, Samuel Fuller, Samuel Fuller (son of Edward), Constance Hopkins, Elizabeth (Fisher) Hopkins, Giles Hopkins, Stephen Hopkins, John Howland, Richard More, Priscilla Mullins, William Mullins, Degory Priest, Joseph Rogers, Thomas Rogers, Henry Samson, George Soule, Myles Standish, Elizabeth Tilley, John Tilley, Joan (Hurst) Tilley, Richard Warren, Peregrine White, Resolved White, Susanna White, William White, and Edward Winslow.

You will find the genealogies of these originals listed down to the 5th generation in the GSMD Silver Books (available in most libraries.) Then you have only to prove from that last person listed down to yourself. All the normal methods to “prove” your lineage may need to be used. Methods used for other lineal societies can be used for the Mayflower Society.

The Society has affiliate organizations in all 50 states, D.C., and Canada. Under the State “umbrellas” you will find local organizations called “Colonies.” In our area the local colony is the DFW Colony which is the largest in Texas with about 100 members. And there are Mayflower descendants living all over the world.

To begin your journey to join, you will need to contact the State Society Historian: historian@txsomb.com They can give you advice and even recommend a Preliminary Review, if you think you are close to finishing your lineage and proofs. There is a \$25.00 cost. For more on how to get started see below: <https://www.themayflowersociety.org/membership-info16/membership-information>

MAYFLOWER VOYAGE QUADRICENTENNIAL

The 400th Anniversary of the Mayflower’s arrival at Massachusetts will be celebrated in 2020. That is not that far away and there are many celebrations to look forward to honor that little band of travelers who set the tone of the Nation to follow. Don’t forget, they did travel for religious freedom & personal freedoms. They did persevere in the face of many hardships and deprivations. They came together and established a set of rules before they began life in their new colony. That agreement, known as the *Mayflower Compact* is seen today as the forerunner to our Constitution.

The GSMD will not be the only group commemorating this event, but it is of utmost importance to them. Their first initiative is to lobby Congress to have the US Mint issue a special commemorative coin series recognizing key historical elements surrounding the *Mayflower*
