JANUARY GENERAL MEETING

Our first meeting of the New Year will be **Tuesday, January 31, 2017** in the **Tandy Auditorium** of the Central Branch Library. **Terri Meeks**, FWGS VP, will present: **We Are Not in Kansas Anymore!** Time will be **6:30 p.m. - 7:45 p.m.**

Refreshments begin at 6:00 p.m., with the meeting starting at 6:30.

We complain about the weather and our ancestors did too. Our farming ancestors had to watch the weather closely; it directly affected their economic well-being. Have you lost track of your ancestor's family? Looking for that burial record or occupation? Want to put additional flesh on the bones? Perhaps weather might hold the answer.

Terri Meeks retired from BAE Systems in 2007 as a test

engineer for F-16 support equipment. When Terri began her genealogy in 2000, she discovered her grandparents were immigrants & traditional U.S. census searches would not work. She had to learn new techniques in tracing her maternal line to Quebec.

Terri currently serves as Vice President of FWGS and teaches their Beginners' Genealogy Class. She also volunteers at a Family History Center and has recently taught a series of genealogy classes for the TCU Silver Frogs. She also translates Catholic Church records from French, Latin and Italian into English for the American Canadian Genealogical Society.

From the Editor

Happy New Year! Time to Kick off a new year of Genealogical Searching. Here are some New Year's Resolutions for YOU!

- 1. Genealogical Societies. Join a new one and Renew an old one. Resolve to pay those dues in a timely way and keep them informed of your address changes.
2. Brick Walls. Tackle that old problem again. New databases are digitized DAILY. New works are published, so check that library catalog again. New researchers join our ranks all the time. Maybe one of those newbies has your answer. It never hurts to put out a new query.
3. Re-Visit. Look at your old notes and paper documents. Perhaps there were names or places in there that did not mean anything to you then, but now that you have more knowledge & experience, it might. You never know what will "pop out" at you if you give it another look!

May 2017 be THE year to knock down a brick wall!

A FOND FAREWELL....to former FW Librarian Donna Kruse. You may remember her from Head of Genealogy Unit and latter a move to Head of SW Regional Library Branch. Donna and husband just moved out-of-state and she says she will so miss her friends in Fort Worth. Donna was always a great friend to FWGS and we wish her all the best in her future career. Keep in Touch!

NEW YEAR OF BEGINNERS CLASSES

Saturday, January 28, 2017

10:30 a.m.- 12:30 p.m.

Central Branch Library--Chappell Room

1st class of the New Year. FWGS begins the New Year's Series of 8 Beginner's classes (one each month- January through August) instructing Beginners (or anyone) on "How To Get Started in Genealogy & Organizational Hints." This first session includes use of pedigree charts & family group sheets, collecting & documentation, difference in primary resources & secondary resources, importance of collateral lines, available resources, interviews, letter writing courtesy, suggestions of organization, suggested supplies and setting up of files.

Vice President Terri Meeks will lead all the classes at the **Central Branch Library, in the Chappell Room at 10:30 a.m. on Saturday mornings.** Parking on the street meters and 3rd St Garage are free all day on Saturdays.

Bring a notebook and pen!

COMPUTER USERS GROUP (CUG)

MEETS TOO

Saturday, January 28, 2017

2:00 p.m. – 4:00 p.m.

Central Branch Library---INTEL Computer Lab

FWGS also offers 8 meetings for our Computers Users Group. This class includes hands-on computer time in the **Intel Lab** at the Central Branch Library. Some of the time will be spent in instruction and part of the time will be your time to explore the web using what you have learned. **Debbie Pearson** will chair CUG this year.

Participants are encouraged to attend both classes, but it is not necessary or mandatory. The classes are independent of each other, although sometimes will overlap or follow some of the same topics. CUG will always follow the techniques and issues of computers and web use with emphasis on Ancestry and Family Search.

Space is limited to FWL computers available.

Both classes are FREE and available to non-members too. Do you know someone who could benefit from either of these classes? If so, why don't you share this newsletter and invite them along!

FWGS has a new web address: www.TXFWGS.org

This one is easier to remember. The old address still works, you just have an easier one to remember now. PLEASE USE IT! There are some interesting things on the web site.

More...Gayle Hanson & Lake Como History

On **Saturday, February 4th**, to commemorate Black History Month, genealogist and local historian Gayle W. Hanson will share the story of the Lake Como community in west Fort Worth. Lake Como has a long Fort Worth history, first as farm lands, then as the Lake Como amusement park and family destination on the last stop of the Arlington Heights street car line. And now it is the home to an African American neighborhood settled by black families in the early 1900s. This community has weathered all the struggles common to our nation in the past century, including the turmoil of the civil rights era. But members of this community retain their ties and remember their shared past. Come hear Gayle extol the history of Lake Como. [see p. 2 above](#)

Gayle W. Hanson is a historian, genealogist, lecturer, and researcher for Texas Historical and Ancestry Researchers in Arlington, Texas. Her area of expertise is historical research (Slavery to World War II) and family history. Ms. Hanson is presently working on several historical projects including the WPA Federal Writers Project Ex-Slave Narratives of Tarrant County, the Early Negro Schools of Tarrant County, and the Jeanes Supervisors of Texas.
