

"The Evolution of Public Housing in Fort Worth"

with Rene Gomez, Senior Librarian, Fort Worth Library

Join the library's own Rene Gomez for a closer look at the local development of the federal public housing program. In addition to learning the general history of each of the projects in Fort Worth, you'll hear how the housing authority participated in the war effort and assisted veterans of World War II. Gomez will continue the story through the present including the makeover planned for the Cavile Place neighborhood.
