### **NEW ISIS THEATER**

We will be listening to Jeff Smith and his efforts to restore the New Isis Theater located on North Main in Fort Worth in the heart of the Stockyards! We may find things that we do not know and as historians, we need to know all we can to preserve our wonderful history. I am looking forward to Jeff's presentation and hope you will be able to join other local historians.

### **GRANT RESULTS**

Birdville Museum applied and received a grant from the Portals of Texas located at the University of North Texas to have photos digitized and placed in the portals for all to see.
