

# THE PRESIDENT'S CORNER

*By Tom Wiederhold*

Howdy folks! April is here! The spring weather brings fun and the one thing we really need, rain, we have yet to see much of. Let's hope for a wetter spring. The raffle is up and running so I hope we max out the sale of our tickets. It will take everyone to get this done, please do what you can. Again I have to stress that membership is critical to success of any group. Please do not expect a few to carry the load. The museum is entering its busy time of year and bringing great information and history about the Stockyards to visitors and locals alike. Blue-bonnets are sprouting up all around. Lets also follow that new growth and really shine! See you all May 8th!!! ~ Tom

## VOLUNTEER OF THE MONTH

**DEBI CARL**

Debi Carl has been a NFWHS member for 25 years and while she has a full time job at the Sid Richardson Museum, she serves on the NFWHS Board as Second Vice-President and she volunteers in the museum on Sundays during the summer. Debi also volunteers her time and talents as a reenactor to the Oakwood Cemetery Tour.

She has a love of history and Fort Worth and enjoys telling the visitors of the museum about both.

We appreciate Debi Carl and all of our other volunteers for what that they do. We wouldn't be here if it weren't for our faithful volunteers!

**"Volunteers don't get paid, not because they're worthless, but because they're priceless."**

### Glimpses of the Past...

Who remembers going to the movies for .50 cents?! And popcorn was a dime!  
The Isis, which was later named the New Isis Theater, was first rate entertainment.  
Hopefully, someday soon, the New Isis will be refurbished to its previous splendor.

**THE NEW ISIS THEATRE**

**ENTERTAINMENT AT ITS BEST**

Just as in 1914 when we opened the Isis Theatre you see below . . . we have always kept pace with progress for entertainment at its best.

The Isis in 1914 was the last word in fine Movie Houses . . . Just as today we are happy to announce the installation of one of the city's largest—the 38 foot Vitamatic Screen and late designed sound equipment.

**W. A. Dub Wallace**  
Manager

Today movies are your best dependable entertainment — you will always find the top entertainment brought to you at your own ISIS Theatre.

The above is the Isis theatre as it opened in 1914 one of the most modern of its day . . . remodeled many times is the present day Isis at the left

### NFWHS News by Teresa Burluson

The St. Patrick's Day parade was a little soggy due to a down pour of rain but our crew took it all in stride. They rode on a vintage fire truck loaned by Buffalo West Restaurant..

**Road Trip!** The trip to Homestead Heritage in Elm Mott, TX was a lot of fun. The group toured the farm and all of the sights such as the grist mill, textile mill and blacksmith shop. Then a wagon ride took them to the edge of a cliff and a scenic overlook above the Brazos river bottom where the farming is done. They brought a picnic lunch and lots of laughs.
