“The Dorothy Lane Courts: a dreamt-of enclave of apartments,  
its doyenne, & memorable tenants”

**May 18, 2019**

“A few blocks from the Cultural District, a late-1920s siren song beckons to those attuned to bohemian frequencies. It plays from the rock-walled courtyard and graceful iron archways of a Depression-era apartment complex called the Dorothy Lane Courts. Begun with a radio romance and built with radio money, it has long attracted gifted and eccentric characters. After almost 80 years, the Dorothy Lane is also a Fort Worth character in its own right.” -- from "The Pearl of Dorothy Lane," *Fort Worth Weekly*, July 21, 2010. Juliet George Smith returns to the Billy W. Sills Lecture Series May 18 to share stories of the complex, the tenants, and the “Pearl.”
