Janet Schober Minke grew up in Fort Worth and graduated from UNT in Denton in 1970 with a BA in Social Science planning to teach school. Instead, she spent 48 years in the title insurance business. She has enjoyed genealogical research for many years and now shares some of her experiences by “teaching genealogy.” Janet has taught genealogy for Senior Frogs at TCU and other societies.

Janet is a 45+ year member of the DAR where she is Honorary Regent of the Eagle Mountain Chapter and Treasurer. She currently holds membership in many patriotic lineage and genealogical societies, including the Nevada Southern Branch Sons and Daughters of the Pilgrims, Southern Dames of America, NSUSD 1812, DAC, Colonial Dames 17th Century, New England Historic Genealogical Society, National Genealogical Society, TxSGS, and the Texas Genealogical College. But we know her as Secretary of the Fort Worth Genealogical Society.

Janet loves to travel, especially when it involves visiting family and places where her ancestors lived. She was fortunate to inherit much genealogy and family history from her mother and enjoys finding new information to add to the story. She has one daughter, Jennifer.
